WORK EXPERIENCE

Kelly Services

Substitute Teacher for OCPs

Orlando, FL
January 2022 - May 2022, February 2025 - Present

- Worked as a substitute teacher servicing Freedom High and Lake Buena Vista High Schools.
- Took attendance for all 6 classes and took full responsibility for over 20 students in the classroom for each period.
- Guided the students to the required coursework or activity their teacher had provided.

Orlando Parking Solutions

Valet Driver

Orlando, FL
February 2024 – February 2025

- Greeted anywhere from 20 to 300 guests a day at various restaurant locations, providing quick and polite service.
- Parked about 5 to 50 cars on average, making sure they are driven carefully, as well as quick retrieval of cars.
- Maintained the front door of restaurants, making sure everyone was welcomed into the establishment.

Lexus of Orlando

Service Porter

Orlando, FL
May 2022 - August 2022

- Greeted around 50 guests a day while simultaneously getting their vehicle prepped for service and having them situated inside with their service advisors.
- Drove at least 25 customers' vehicles to the shop and inform the shop manager and related service advisor.
- Helped dozens of customers with any minor concerns, such as helping to use the infotainment system, airing up tires, retrieving customer belongings, and helping walk in customers to a service advisor.

PROJECTS

Vehicle G-Force Measurement | Arduino

November 2023 – December 2023

- Coded a RedBot accelerometer with an Arduino Nano board to find G-force acceleration of my vehicles both in a straight line and cornering, as well as the acceleration from undulations within the road to calculate suspension dampening needs.

VOLUNTEER EXPERIENCE

American Red Cross

Social Media Fundraiser

May 2021 – August 2021

- 252 volunteering hours fundraising for installing smoke detectors in houses.
- Helped to manage a group of 18 volunteers fundraising on Twitch as well as promoting their streams.
